I have over **10 years** of professional experience as a pianist and a Bachelor's Degree in Music. I have accompanied and recorded for vocalists of all types and abilities, as well as for singing performance classes, choirs, jazz choirs, and solo cabaret performances. As a music director, I've arranged, orchestrated and conducted music for Children's Theater, Big Band, Strings and voices. I also have a repertoire of hundreds of jazz standards, acquired over time as an accompanist for diverse jazz singers. I have also been involved in performances in genres as diverse as folk music, free improvisation, circus/cabaret, burlesque shows and many, many others. Call me today to see how I can help you in your performance career!
